TO: LKSOM Committee FROM: FSSW COMMITTEE: 9/20/20

'The Faculty Senate Committee on the Status of Women voted unanimously to support the letter written by the LKSOM Status of Women Faculty Committee.'

'With the news of the latest appointments, I'm not sure what the plans are for the letter. However, we think it's important to follow through by letting the LKSOM Committee know we support them in this matter.'
